Additional Information

Signed

Alan Murray —Chief Executive Officer

Statement from the HSE.
"in preparing the Fit2Fit
RPE fit testers
accreditation scheme,
BSiF and other industry
stakeholders have
worked closely with the
experts in Health and
Safety Executive (HSE).
Following this scheme is
not compulsory and
employers are free to
take other action to
comply with the law. But
if you follow this
scheme, you will be
doing enough to
demonstrate good
practice".
