Issue Ref:	HSE Information Sheet 13049
Topic:	Revision to Workplace Regulation L24
Source – if known	HSE
Details:	The Workplace (Health, Safety and Welfare) Regulations 1992 cover a wide range of basic health, safety and welfare issues and apply to most workplaces (except those involving construction work on construction sites, those in or on a ship, or those below ground at a mine). The book includes the Regulations in full, as well as the Approved Code of Practice and guidance. It will help employers understand the regulatory requirements on issues such as ventilation, temperature, lighting, cleanliness, room dimensions, workstations and seating, floor conditions, falls or falling objects, transparent and translucent doors, gates and walls, windows, skylights and ventilators, traffic routes, escalators, sanitary conveniences and washing facilities. This revised and updated version takes account of changes to legislation since the previous edition was published, including: • Quarries Miscellaneous Health and Safety Provisions Regulations 1995 • Quarries Regulations 1999 • Work at Height Regulations 2005 • Construction (Design and Management) Regulations 2007 • Health and Safety (Miscellaneous Amendments) Regulations 2002
Recommended Action:	Circulated for info only unless you fall into one of the bulleted categories above A Download copy of L24 is circulated with the information Sheet
